Dear Mr. Ibaraki:

Thank you for responding to our People to People Citizen Ambassador Programs invitation. I am sorry to hear you are unable to travel with us at this time.

Since you have been selected as a delegate candidate, you are also invited to join any of our professionally-related programs. We invite you to visit our website, www.citizenambassadors.org, to see what other programs we have planned. We have a team ready to assist you in learning about and preparing for any program which may be of interest to you now or in the future. Our associates have traveled the world over and are very knowledgeable about specific destinations and the needs and interests of our professional delegates.

If we may assist you in any way, please contact us at [REDACTED] or [REDACTED]. For your convenience, I have enclosed a general brochure on our programs.

We look forward to working with you in the future. We hope that you will be able to join us on an enlightening and rewarding international journey.

Sincerely,

[REDACTED]
